THE Pizza Hut launched another of their creation recently. They called it 'Flavours of the World.' The exotic array of good and pasta dishes from around the world will be a treat for food connoisseurs in this part of the world.

The new array of food includes Italian Japanese Pan Pizza, Indian Chicken Pasta, French Seafood Pasta, Arabian Pilaf Rice and Havana Mint Fizz Drink.

A statement issued by Pizza Hut stated that they have brought their customers many pizzas and pastas around the world over the years, including American, Italy, Sicily, Hawaii, Mexico, Morocco and Thailand.

However, the new Italian-Japanese Pan Pizza is unique in a way because it offers that East meet West combination of delicious Japanese ingredients and hearty Italian flavours.

Those who sample the pizza will appreciate the char-grilled chicken, teriyaki, Italian herb sauce, capsicums, Onions and mayonnaise toppings all in one.

French seafood pasta also promises to be a tasty concoction of prawns, squids, capsicums, onions and carbonara sauce, inspired by culinary influences from the famous French era.

Meanwhile, the Arabian Pilaf is an exotic blend from the Middle East, which contains chicken, spices, capsicum, potatoes, raisins and onions. A Cuban concoction of lime, Mojo Revive and mint syrup make up the Havana Mint Fizz which complement the 'Flavours of the World' meal. So if you are around a Pizza Hut restaurant, step in and ask about these new innovations. The promotion ends on Dec 9.
