Wedding with the Gambus

The Sri Persona Raja Sehari bridal shop in KK Plaza offers a package where the Gambus is performed during the wedding reception. Gambus, a guitar-like musical instrument of the Bruneians, is performed during such functions and Aysraf has decided to incorporate it into his wedding package offer.

"I believe that by incorporating the Gambus in the wedding package, I am not only promoting this traditional musical instrument but also ensure that the culture is perpetuated," he says. He adds that his Gambus group received well by the people in his district, Papar, and believes that more can be done to promote this musical instrument in Sabah.

Recently the Gambus Irama Persona Kg Laut made an appearance during the launching of a wedding package at Beverly Hotel.
