# Duck & Deer

HYATT REGENCY KINABALU is promoting duck dishes at The Chinese Restaurant until February 4 this year. The duck promises to be succulent, and cooked so finely that the meat does not have that 'ducky' smell at all. The most popular duck dishes that should be tried are the wok fried sliced duck with

sweet pea sprouts and deep fried Nestum coated duck. Besides duck meat, the outlet is also promoting venison (deer meat), cooked in various innovative and creative way. The venison is also tender due to slaughtering technique. The animal is reared locally.

Actually, the Tanjung Ria Café and Nagisa Restaurant are also promoting venison dishes. They are promoting Venison Assam Pedas and Age Venison Balsamic Yaki respectively. So if you are anywhere near Hyatt now, hop in and get a taste of their offerings.
