

Evan Yo

DiGi Music Unlimited recently gave its subscribers a special treat in the form of an exclusive showcase. The telecom's latest offer featured Taiwanese rock duo Y2J and pop singer Evan Yo at an exciting performance at 1Borneo Hypermall's Gourmet Lane.

Vouching for its status as a velvet rope affair, the best seats in the house were only accessible to subscribers of DiGi's Music Unlimited service who redeemed tickets for the event.

The showcase consisted of separate sets by Y2J and Evan Yo, with all three artists taking special care to entertain and interact with the very enthusiastic audience that showed up for the evening performance.

The night ended with an autograph session that gave fans a great chance to briefly meet and greet their beloved stars. The Y2J and Evan Yo showcase is just the latest in a line of DiGi Music LIVE events. For more information on the DiGi Music Unlimited service and DiGi Music LIVE, visit www.digimusic.com.my.

Build your own gingerbread house at Hyatt

Out of ideas for Christmas gifts? Some of the best presents are the ones you make yourself, and Hyatt Regency Kinabalu invites all aspiring kitchen architects to a gingerbread house-making session.

At Santa's Workshop, Santa's little helpers will demonstrate how to build a gingerbread house from the ground up, giving tips on how to put unique touches on your creation, which will then be gift-wrapped and ready to take home.

Santa's Workshop is open to participants of all ages. The entrance fee is RM50 per person, which covers coffee and tea and the cost for the gingerbread house and all its decorative ingredients, such as icing and candies.

All proceeds from the Santa's Workshop will go towards Hyatt Regency Kinabalu's ongoing community projects and is in line with Global Hyatt's philanthropic volunteer programme, F.O.R.C.E. – Family of Responsible and Caring Employees.

Santa's Workshop will be held on December 19, 2009 at the Keembong Room of Hyatt Regency Kinabalu from 3pm to 5pm. For more information, call 088-221234.
