Annual Christmas treats for Rumah Bakti Harapan

Promenade Hotel Kota Kinabalu recently treated 12 residents and two caretakers of Rumah Bakti Harapan, Inanam to a 3rd Annual Festive Lunch at the hotel's Dynasty Chinese Restaurant in conjunction with the coming Christmas and New Year celebrations.

The children and caretakers of the charity home were entertained by a special appearance of Santa Claus and Santarina, distributing Christmas goodies to the attending residents. A hamper, which consisted of sundry goods was presented to them by the hotel's Resident Manager, Adrian Ng.

As part of the hotel's corporate social responsibility to aid those in need, the charity home which shelters the mentally and physically challenged residents with ages ranging from 19 to 40 years old has been monitored by the hotel ever since its official adoption since 2001, undertaking the responsibility of absorbing the home's utility bills and regularly contributing sundry goods for their daily consumption during every quarterly visit to form a fellowship bond between the staff and residents.

Despite the consistent support by Promenade Hotel Kota Kinabalu, the President of the home, Ginantar Balud would gladly welcome any form of contributions as the home depends on it from the general public for their daily operational needs. For details or contributions, call 088-422374.
