

DO YOU KNOW

Kundasang

Whenever we mention Kundasang, it always makes us think about cabbages and other highland vegetables. We are not wrong as this mountain township is well known for its daily vegetable market. Highland vegetables grow easily in this area due to the cool atmosphere.

Whenever we pass that area, the tremendous array of vegetables boggles the mind and nowadays, flowers too have made an appearance alongside the edibles. Kundasang is very near to Mount Kinabalu, so those who live in this village will enjoy the beautiful sight of Kinabalu being lighted up by the rising sun during fine days, or clouds surrounding the craggy surface during cooler days.

The people here are mostly Dusuns and are vegetable farmers. Some are professionals and businessmen.

One of the main tourism attractions here is the War Memorial. The garden around the memorial is beautiful.

Avid golfers do not have to miss a game while visiting Kundasang as a golf course is located very near to the border of Kinabalu National Park.

Accommodations are easily available here as there are several chalets there as well as a hotel. Kundasang is about 60 kilometres from Kota Kinabalu and accessible by any vehicles.
