Le Meridien celebrates CNY with a bang

Le Meridien Kota Kinabalu ushered in the Year of the Tiger with an auspicious Lion Dance on the first morning of Chinese New Year, held at the hotel lobby. The hotel's General Manager Harvey J. Thompson, dressed appropriately in traditional red attire, led the festivities.

This year's spectacle was performed by award-winning dance troupe SRK Yick Nam, marking the first time that the Lion Dance has been seen in Le Meridien's lobby instead of at its entrance driveway. This made the occasion an interesting and intimate experience for the fully occupied hotel's guests.

The troupe's performance included the fancy and often exciting aerial acrobatics performed by Lions on precarious steel poles, building up to the traditional finish that features the presentation of a Prosperity Scroll to the head of the household or establishment, in this case, Thompson.
