

Nexus debuts the renovated Ocean Wing

Nexus Resort and Spa Karambunai, recent recipient of the Malaysia Spa and Wellness Awards 2009's Best Resort Spa award for its Borneo Spa, just recently completed the full renovation of its Ocean Wing of guestrooms. The Ocean Wing makes up part of the 485 rooms available at the resort.

"We are excited to share this beautifully renovated space with our loyal guests," said Peter Sprenger, the resort's Group General Manager. "Our multi-million ringgit renovation was several years ahead in the planning, but we think the final results speak for themselves. "Together with our award-winning Borneo Spa, which received the Best Resort Spa award at the recent Malaysia Spa and Wellness Awards 2009 last month, our resort has never been better positioned to serve the needs of our guests and the local community." The extensively renovated guestrooms feature a colour palette that is rich and elegant, and an overall design that is airy and modern. Warm accents and textures in the rooms create a sense of quiet vibrance that still caters to rest and relaxation, while contemporary floral patterns and prints reflect the wondrous natural beauty that surrounds the resort. This renovation also gives rise to the introduction of two new room categories. The Ocean Panorama Deluxe and Ocean Panorama Premier rooms offer gorgeous sights, with either partial or full views of the ocean and the resort's own expansive gardens.
