CAFÉ TATU at Shangri-La's Tanjung Aru Resort offers their diners with a variety of live action stations cooking up authentic global cuisines in a vibrant and colourful atmosphere.

Those who wish to dine here can sample luxurious buffet breakfast and dinner with live-cooking stations of Mongolian, Tandoori, Asian noodles, Dim Sum, pasta stations, salad and desserts.

To top that all, guests can watch as their dishes being prepared fresh, hot and steaming on the spot. There is also an array of Asian and Western main courses.

Lunch is available à la carte and feature Asian favourites as well as Western favourites. An added dimension to Cafe TATU is its very own authentic Mongolian oven where the grilled Mediterranean cuisine is prepared.

Guests can dine in the comfort of a modern interior, which incorporates local Borneo design and stylish décor within a theatrical layout. Floor to glass ceiling windows adorn the café allowing guests to take in spectacular views of the resort gardens and swimming pools as they enjoy their meals.

Part of the cafe opens into the gardens with an exclusive dining area, which allows guests the chance to relax and dine outdoors. The outdoor patio is in a class of its own. Featured as one of the characteristics of the café, it is able to accommodate up to 160 guests.

The Café TATU was opened in Nov 2005 as an interactive dining outlet. Located on the garden level of Tanjung Wing, the Café TATU boasts contemporary and stylish in designs and is further enhanced by a curved orange banquette and high counters.
