All that action is sure to build up an appetite, located just a short distance away is the floating Kampung Nelayan restaurant which serves excellent sea food amongst other dishes and across the floating restaurant is the Putera Restaurant famous for its steamboat BBQ. The Putera has a large ballroom and is popular for banquets and other functions.

Within the Water World Theme Park is a Souvenir Shop and canteen which serves fast food. Children below three feet and senior citizens aged 55 and above don't pay entrance fees. Entry tickets cost Rm 5.00 per person on week days and Rm15.00 nett weekends.

On week days, the water world opens from 12.00

noon-7:00pm and on weekends and public holidays, it opens 9:00am-7:00pm. However, it is closed every Tuesday except during Public Holidays and school holidays.

Other facilities include a cafeteria, an air-conditioned lounge which is equipped with Astro, lazy chairs and a souvenir shop. The Park can also help organize special events, such as children's birthday parties, making it a memorable event for your little ones. Contact the Park for their Special Packages.

Water World Theme Park is a special place and will form a part of those special memories that stay with me for a very long time. Watching those smiles, sharing the moment and keeping those memories is what life is about.
