The one-hour-forty-minute journey includes a Jade Foot Bath, a Tea Bath Ritual followed by traditional Chinese guasha (stroking) movements using jade stones to harmonize the body's yin and yang.

The CHI concept is to create a sanctuary of tranquility inspired

by the legend of "Shangri-La," high in the mystical Himalayan mountains. The CHI spa philosophy is based on the fusing of ancient traditions, beliefs and rituals from China and the Himalayas, while featuring some of the largest and most luxurious private spa suites and villas in their markets.

Nine CHI were opened recently; Bangkok, Cebu, Shanghai, Penang, Muscat, Beijing, Guangzhou and Chengdu, with 21 spas scheduled to open in the next five years.
