

Kampung Nelayan Floating Seafood Restaurant

Nestled in Taman Tun Fuad just 10 minutes from Kota Kinabalu city is the Kampung Nelayan Floating Seafood Restaurant. Since opening its doors ten years ago, the restaurant has earned its reputation as one of the most unique dining experiences in Kota Kinabalu. The restaurant 'floats' on a pond and can comfortably seat up to 400 diners at a time. The restaurant is particularly known for its fresh seafood, cooked to your preference. Among the favourites on the menu are the famous 'kam heong' crab (kam heong is a special paste, made of various condiments) and fried garoupa with sliced mango (if you prefer, you can request any other fish to be prepared in this style). Simply mouthwatering is the shredded egg butter prawns – a delicious dish of prawns cooked to perfection, topped with 'egg floss' and creamy sauce. For dessert, you simply have to try the famed 'coconut pudding' – best served chilled! The best part is you can enjoy a hearty dinner

every night while being entertained by a pulsating cultural performance. For a more private affair, Kampung Nelayan also offers VIP rooms, ideal for personal functions such as wedding anniversaries, birthdays, engagement and full moon parties. The service here is commendable and the staff are always willing to go out of their way to ensure your dining experience is as flawless as possible. Fantastic ambience with a rustic touch, Kampung Nelayan offers the best of dining and entertainment under one floating roof!

Rainforest Café

A jungle in the city? With good food to boot! The Rainforest Café on Beach Street (Jalan Pantai) in Kota Kinabalu opened its doors in October, offering diners a wide array of local delights and international favourites. As the name suggests, the restaurant carries a jungle theme, with 'trees' greeting you as you step into the eatery. There are several notable must-tries on the menu. For starters, try the Larb Gai, a Thai appetizer of minced chicken served in crispy lettuce with Thai sauce. On the main course list, the Oxtail Asam Pedas is one of the signature dishes of Rainforest Café. Want more Malaysian favourites? We recommend the Tiger Prawn Curry served with rice or the Nasi Goreng Kampung (Fried Rice), which comes with satay, a sunny-side-up egg and a chicken drumstick – how about that for a complete meal? If it's something hearty you want, you cannot go wrong with the sirloin steak or the mouthwatering Chicken Cordon Bleu, a tender chicken breast stuffed with ham and cheese, served with potato and mushroom volute. The menu also offers a variety of pastas, pizzas and sandwiches. You can even opt to create your own sandwich; just ask the friendly waiter. For a fine finish, you'll be spoiled for choice. The chocolate brownie is every chocolate-lovers' dream or for something local, order the sago gula melaka. And the best part is, nothing on the dessert menu is priced above RM5.00! Perfect for a quick lunch or a romantic dinner, Rainforest Café adds to the list of Kota Kinabalu's great dining venues. Call 088-218325. Open daily from 10.00am to 12 midnight.
