

Deep Sea Fishing with Magic Moments

It's time to head out to sea with your hook, line and sinker! On a clear and sunny day in Sabah, why not hop on a boat and try your hand at deep sea fishing? The Magic Moments catamaran can accommodate up to 12 passengers and 4 crew members. The day starts early as you and your friends make your way to the Sutera Harbour Marina, where your guide and 'fishing experts' await you.

There are several notable spots for deep sea fishing in Sabah, but one of the more popular ones is the waters of Mengalum. The journey from Sutera Harbour will take approximately 2 hours, so this gives you ample time to enjoy the ride and pay attention to the briefing (particularly for first-timers). All fishing equipment is provided and don't worry: The friendly crew will assist you with just about everything, from baiting the hook to reeling the big ones in! Magic Moments is truly ideal for a deep sea fishing outing. The 40 x 12-foot catamaran can go as fast as 30 knots and is equipped with navigational equipment and a Fish Finder. A 10-seater sofa ensures comfort throughout your journey. There is also a kitchen, toilet and store room. Although day trips are popular, some serious anglers even opt to spend a night or two out at sea.

Depending on sea and weather condition, the experienced boatman will decide the ideal location for your session. As the boat stops, the excitement begins. If you're lucky, you might snag a grouper or two! Many anglers agree that it takes a combination of skill, determination and sheer luck for a successful outing, so don't be disappointed if the fish aren't biting. The best part of fishing with Magic Moments is of course, lunch! With a kitchen at hand, you can have your catch of the day cooked and served within hours. Talk about fresh from the sea! While lunch is being prepared, the boatman will take you to the nearby Tunku Abdul Rahman islands, where you can jump into the clear waters for a quick swim and snorkelling session. After lunch, it's back to the Marina to share exciting stories on the days' event with envious

friends. Be sure to pack your sunblock and, if you feel it necessary, pop a motion sickness pill half an hour before you start your journey. However, rest assured once you feel that tug on your line, the adrenaline rush will override your nausea. Enjoy your 'Magic Moments' on the South China Sea!
