DZ Hotel and Nature Resort

Set amongst the rolling hills and swooping valleys of Ulu Kimanis, DZ Hotel and Nature Resort appears like a mirage in the desert. D'Valley Wing consists of deluxe queen and superior twin rooms while D'Hill View Chalets are made up of deluxe twin rooms, located on a slightly elevated ground. For the truly exclusive, book D' Glass House, a 3-bedroom bungalow ideal for families and larger groups. All rooms are fully air-conditioned and tastefully furnished, with hints of old English décor mixed with contemporary style. The rooms also come with a 25" TV equipped with selected ASTRO channels. But why spend the day cooped up in your bedroom when you can explore other facets of this resort? For the fit and fearless, enjoy the 3-hour jungle trek or visit the nearby mini-zoo. At sundown, enjoy a cocktail or two D'Rosie Café & Restaurant or just relax at the airy lobby lounge. Tour and diving packages can also be arranged upon request. DZ Hotel and Nature Resort is also ideal for meetings, conferences and annual company gatherings. The resort is equipped with a business centre and conference rooms (which can be converted into a mini ballroom for indoor luncheons or dinner functions). The sprawling establishment also has camping grounds that can accommodate up to 100 people at a time. A river runs through the resort, however guests are advised to take caution as the resort will not be liable for any untoward incidents. A short hike from the mini-zoo will also lead you a waterfall, ideal for small picnics with family and friends.
