Handpainted Mugs

With plenty of skill, patience and artistic talent, a plain white mug is transformed into a piece of art! Custom-made for Kadaiku, these handpainted ceramic mugs feature wildlife icons of Sabah including the Orang Utan, Proboscis Monkey and the birds of Borneo. The designs are painted using acrylic colours and coated with a clear spray for a finishing touch. No two mugs are the same thanks to the unique touch of the artist, giving each mug a personalised look. A great gift for your friends or a handy item in the office!
